Instructions: Dancers line up 3-abreast for A part and do a waltz-like prominade in CCW direction. When the music changes to the B part, the center partner swings on the arm of one partner, then the next, going in a figure-8 path and continuing for all of part B, then back to A, etc. A great mixer for young and old alike.

Some-times the world is a val-ley of heart-aches and tears and in the hust-le and
